Name of the school: Gradinita cu program prelungit nr. 36

Topic area: Labor market

Concept: „My work, the joy of a friend”

Age of students: 3-4 years

Date: December 2016

GOAL	School subjects and related objectives	Full description of activities	Resources and materials	Methodology	Timing	Assessment against objectives: (how does the childrens' work or activity meet the objectives?)
Developing socialization and communication skills.	1. Visit: "The Association Must"	We will move along with students at the Association Must, where we will meet new people, socialize with them and listen to some life stories, and in turn we will share our experiences.	Transport means.	Conversation	20 min	
Understanding that the product of our work can be of use to other people, not just to us.	2. Voluntary action: "We learn to offer"	The children will announce that they are actually Santa's helpers and have prepared surprises for the children of the Must Association. Every child will share his gifts, showing empathy and receiving verbal appraisals as a reward. The joy created by offering gifts will motivate children to repeat this type of activity.	Gifts made by children.	Conversation, Exercise.	30 min	

Understanding the fact that reward is not always material can also be moral.	3. Artistic program: "Christmas carols"	In addition to the gift offered, the children will perform some Christmas carols for the audience of the Must Association, being awarded with applause and diplomas to participate in the activity.	Diplomas of participation, applause.	Exercise.	20 min
