GOAL	School subjects and related objectives	Full description of activities	Resources and materials	Methodology	Timing	Assessment against objectives: (how does the childrens' work or activity meet the objectives?)
Observing a different work environment in which we can discover pleasant aspects of the florist profession.	1. Visit: "At the florist"	Each child will come with a parent to the flower shop we will visit. After the arrival of all the children, the staff of the florist will present us the way of arranging the space, the different types of flowers that can be found in the florist, the care of the flowers, the way of creating a bouquet of flowers. They will explain to students why flowers have different prices, as well as other information about flowers.
